La Maison de l'Eau

At the entrance of the village des Plantiers, the old mill, long lifeless but with its wheels, came back to life.

Around this testimony of the past, discover a modern and fun exhibition presenting water in the Cevennes. La Maison de l'Eau puts in scene the paradox of scarce and beneficial water but also violent and destructive.

Stories of yesteryear, storytelling, fun and educational games, everything is done to make everyone feel involved and understand how important it is to take care of this resource.

Visiting la Maison de l'Eau passing by the eight rooms and an outdoor promenade that offers beautiful views over the village. It lasts about 1:30. It takes you at the whim of fun activities in different parts of the old mill.

More activities for children

On reservations, performers prepare to your group animations on the theme of water, allowing you to spend an unforgettable day in the heart of the Cevennes!

Accessibility for persons with reduced mobility

The museum is fully accessible, need to use a lift, one wheelchair at one time.

Nature

Musée minéralogique

L'Ecole des Mines d'Ales born in the mid nineteenth century in the heart of an industrial area where the mine, metallurgy, chemistry, the development of railways, play a leading role; It is in this context that develop the school and museum.

Showcase the world of minerals, wealth and variety of geological landscapes, it is the memory of an important moment in history and knowledge.

This museum has gradually formed by some shopping, but mostly by donations from former students or amateurs.
